● ABOUT

Research-led, user-first, occasionally found halfway up a climbing wall, gardening, or scribbling in a notebook. With 14+ years shaping digital products across healthcare, SaaS, and fintech. I bring clarity to complexity through facilitated discovery, research, and designs that scale.

● EXPERIENCES

Apr 2017 - Present

Accolade, Inc / Transcarent

Senior Product Designer

Led end-to-end UX for a health navigation platform serving 3M+ members. Defined and scaled a multi-platform design system, ensuring consistency across internal and external tools. Embedded HCD practices across product and engineering.

Oct 2016 - Mar 2017

Freelance

Independent UX/UI Designer & Facilitator

Ran discovery and research studies, workshop series for startups and mid-sized companies. Delivered insight decks, journey maps, clickable prototypes and UI designs.

Jan 2014 - Sept 2016

TopMonks

UX Designer

Designed for mid-sized and enterprise clients across fintech and e-commerce. Ran user interviews, moderated usability testing sessions, and created interactive prototypes and UI designs.

Aug 2012 - Dec 2013

Dobrý web

UX Specialist

Audited and redesigned websites using heuristic evaluations and usability testing. Delivered structured UX analyses for commercial clients, translating complex findings into clear, actionable recommendations.
